1 Erratum

In section 2 in Ref. [1], after the definition of the coefficients $\tilde{p}_{ml}$ and $\tilde{q}_{ml}$ (page 147-148), it should be read

"where S is the number of regions, $R_0 = 0$ and $R_S = \infty$."

instead of

"where S is the number of regions, $R_m = 0$ if $m = 1$ and $R_m = \infty$ if $m = S$."
